

**Trash/Recycling Bin Product Notes:**

1. Includes (1) trash/recycling compartment, (1) 15-gallon trash basket made of recycled plastic and customized to compartment (Note: 30-gallon trash bag furnished by others).
2. Module may be recessed or surface mounted. See Florence versatile™ mailbox suite installation manual for details.
3. Features three locking options: key, combination lock, or keyless.
4. Module available in same architectural power coat color options as the Florence versatile™ 4C mailbox suites.
5. Door flap is constructed of stainless steel and utilizes a steel hinge. Label for door is fully customizable to 12 characters.
